Open access

Mgr. Valentýna Drtinová

Open Access Specialist, Head of the Open Science Support Centre

E-mail: openaccess@cuni.cz

Phone: +420 224 491 839

Mgr. Ondřej Kouklík

Open Access Guarantor

E-mail: openaccess@cuni.cz

Faculty open access coordinators

In addition to central support, we continuously work on building a faculty network of employees (so-called open access coordinators) who help with the promotion of open practice at their departments and address especially field-specific questions and problems.

Faculties	Departments	Contact/Website
1. LF (First Faculty of Medicine)	Institute of Scientific Information	contact
2. LF (Second Faculty of Medicine)	Institute of Scientific Information	contact
3. LF (Third Faculty of Medicine)	Centre of Scientific Information	contact
CERGE (Center for Economic Research and Graduate Education - Economics Institute)	Library	
COŽP (Charles University Environment Centre)	Library	contact
CTS (Center for Theoretical Study)	Library	contact
ETF (Protestant Theological Faculty)	Library	contact
FaF (Faculty of Pharmacy in Hradec Králové)	Centre of Bibliographic and Scientific Information	contact
FF (Faculty of Arts)	Library of the Faculty of Arts	contact
FHS (Faculty of Humanities)	Library	contact
FSV (Faculty of Social Sciences)	Scientific Information Centre	contact
FTVS (Faculty of Physical Education and Sport)	Central Library of Physical Education	contact
HTF (Hussite Theological Faculty)	Department of Science, Ph.D. Studies and International Relations	contact
KTF (Catholic Theological Faculty)	Library	contact
LF HK (Faculty of Medicine in Hradec Králové)	Medical Library of FMHK	contact
LF Plzeň (Faculty of Medicine in Plzeň)	Center of Scientific Information	contact
MFF (Faculty of Mathematics and Physics)	Library	www

PedF (Faculty of Education)	Library	contact
PF (Faculty of Law)	Research Department	contact
PřF (Faculty of Science)	Research Support Department	contact

An up-to-date overview of faculty open access coordinators is also available in the [Whols system](#) - people can be searched using the **Position** filter - select "Koordinátor open access".

Research data

Mgr. Dagmar Hanzlíková

Data Policy Manager, Deputy Head of the Open Science Support Centre

E-mail: researchdata@cuni.cz

Phone: +420 224 491 172

Mgr. Matyáš Hiřman

Research Data Management Support

E-mail: researchdata@cuni.cz

Ing. Milan Janíček

Analyst and Data Curator

E-mail: researchdata@cuni.cz

Phone: +420 224 491 511

Ing. Jakub Řihák

Repository and Research Data guarantor

E-mail: researchdata@cuni.cz

Phone: +420 224 491 370

Data Management Plan support

For questions relating to data management plans (e.g., what should be included in a DMP, what tools are available for creating a DMP, funders' requirements for DMPs, etc.), please contact our DMP support team.

E-mail: dmp@cuni.cz

Legal Support

For questions on legal aspects of open access and open data (e.g., choosing the most appropriate license when publishing an article, interpretation of license agreements, using third-party data in regard to data management, etc.), please contact our Copyright & Open Science Lawyer.

Mgr. Anna Horecká

Copyright & Open Science Lawyer

E-mail: openlaw@cuni.cz

Phone: +420 224 491 104; +420 771 138 099

For questions on legal issues connected with commercialisation or patenting, please contact the [Centre for Knowledge and Technology Transfer](#).

Personal data protection (GDPR)

For questions about personal data protection (e.g., regarding sharing research data), please contact the University Data Protection Officer.

University Data Protection Officer

E-mail: gdpr@cuni.cz

Phone: +420 771 232 578

IT/Technical support

For questions on technical aspects of open science (e.g., storing and archiving research data, large data processing etc.), please contact the IT support team.

E-mail: openict@cuni.cz

For questions about the institutional CU Digital Repository, please contact our [open access team](#) (see above).

Ethics committees

For ethical issues related to open science (open access, research data etc.), you may contact the faculty Committee for ethics in research.
