# Charles University

---

This section focuses only on research funders' policies relating to open science. For a comprehensive overview of research funding opportunities at Charles University, please visit the [University website](#).

## **Primus**

As of 2021, the Rules for the [Primus Grant Scheme](#) include a condition that the investigator and the faculty agree to cooperate on creating a Data Management Plan for the given project. This condition will be further specified in the individual grant agreements based on the characteristics of the individual projects.
